SPECIFICATIONS

Item number	D30675-RPET
Warranty	Lifetime / 30 years
EAN	7332752005594

Manufactured in durable 600D recycled PET, this lightweight backpack is equipped with ergonomic back cushioning made from breathable material and padded shoulder straps with an adjustable chest strap. You'll enjoy 25 litres of storage with the Backpack ECO. The front compartment contains a handy detachable key holder, a section with pen holders and compartments designed specifically for mobile phone accessories. The spacious main compartment has two functional areas for documents and accessories. The backpack provides excellent protection for your device up to 15.6" in size thanks to the designated notebook compartment. Your notebook will remain secure even when carried outside of the backpack thanks to the removable notebook case padded with high-density foam (HDF). Last but not least, your drink bottle and umbrella can be stored in the space-saving outer pockets, while the compression straps on both sides can be used to compress the backpack, creating a more compact bag.

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
