The Eco Multi CORE is the intelligent travel companion for environmentally-conscious professionals. Designed for daily use and equipped with practical functions that make your life easier. Your 15-17.3" notebook is highly protected in the padded main compartment. Even your tablet up to 12.9" can be safely stored in the padded slip pocket. The generous main compartment offers storage space for clothing and documents and other belongings. The spacious front compartment with a practical and easy-access workstation for your mobile accessories allows you to organise your personal items with holders for items such as pens, business cards, IDs and smartphone. The address label compartment makes every journey effortless and stress free. The reinforced bottom part, quality-wheels, a telescopic handle made of high-class materials as well as the durable, water repellent main material assure long-lasting transportation comfort.

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
