Extend your desktop with an external HDMI monitor or connect a projector or TV using the HDMI interface. The docking station supports Ultra HD 4K video transfer with a resolution of up to 3840x2160@30Hz. The hub also offers USB-C Power Delivery up to 100 W, which is designed to power a connected laptop or tablet using your original AC adapter. The docking station also supports charging of the connected USB mobile devices such as smartphones, e-book readers, media players, navigations and tablets. Also available are 2x USB-A 3.0/2.0 port, 1x USB-C Power Delivery port, 1x HDMI port. Connect the docking station with a single cable to your computer's USB-C or Thunderbolt(TM) 3 port and you can start using it immediately.
