A fastening strap also ensures that your device is held in place securely without slipping. Documents and mobile accessories such as your smartphone, business cards, pens and so on are always within easy reach in the zip pocket on the front. The length-adjustable and removable shoulder strap and handle make the bag very easy to carry. The ONE series emphasises the durability of the product with an extended five year guarantee - and they are all using recycled PET main material!

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
