### **SPECIFICATIONS**

<b>Item number</b>	D50057-2AD
<b>Warranty</b>	24 months
<b>EAN</b>	7640494877592

The DICOTA 2-Way privacy filter is ideal for working in public environments such as libraries, open-plan offices, airports and trains. It protects personal and confidential data by darkening the right and left side of the screen from an angle of  $\pm 30$  degrees. A special silicone layer enables easy, bubble-free application and residue-free removal. The filter also offers protection against scratches, reduces fingerprints and prevents reflections.

As a leading brand for premium carry solutions, we are consciously aware of our social and ecological responsibility - "from people for people".
